Notes

We realise that there is not much in the way of service relating directly to our Guild. We feel that as so many of us are still actively involved in Guiding, this has led to a reluctance to carry out specific tasks. We have included various County and Region events in the programme and hope that you will find time to help out at some of them.

- We need someone who can lead a few Scottish dances for our meeting in January - can anyone help please, or maybe you know someone who can?
- The Portsmouth outing will clash with the post-Annual meeting tour of Kent. Sorry to those going to the tour!
- There may be a Region holiday - details yet to be arranged
- 4th November 2017 - possible International Day. Yet to be confirmed.
- Looking forward to our 75th Celebrations, there will be a river cruise on the Danube from 9-16 July 2018. Details here http://www.ventureabroad.co.uk/trefoil_danube_river_cruise.php
- There are a series of 2 hour walks around places of interest in London on the last Sunday of each month. The first one will be held on Sunday 25 September at 1000, meeting under the clock at Waterloo. You can find out more at www.girlguidinglondon.org.uk/index.php/information/trefoil/walkers-and-talkers-group/
