

- **Over 1000 girls** enjoyed Brownie Splashabout & Water Fun Day this year
- Guiding Groups stayed in Paxmead's residential centre **EVERY weekend** except Christmas
- Most of the **School holidays** were busy with Rainbows, Brownies & Guides
- Evening Boating gave units a chance to try boating in "have a go" sessions

If you were one of these or you love Paxmead as we do then please help us to raise money for much needed works. We have NEVER asked for Financial help from you before but we need to raise **over £30,000** by February. We need help!

- We are challenging our units, districts and divisions to hold fund raising events in support of Paxmead
- If you have some spare money that you can donate then that would be great too!
- It does not have to be units, districts or divisions though, if you personally can donate then we would love to take your money

It will not take much to raise £5,000 from GGSW members so please help us! £10,000 would be better!

THANK YOU

How to Donate

Thank you for donating to Paxmead in support of our Building Project, we are very grateful for your help in contributing to our work here.
